Instagram vs reality (Photo: Event 360) If perception is reality, context might be the lens we look through to judge things. There are usually many more minutes of video, reports, witness statements, and other evidence you aren't privy to at the time. The 80/20 rule or Pareto Principle has been used to describe a great many things over the years.

Here is my admittedly somewhat subjective list of the five most absurd and outrageous woke ideas being discussed in 2020. I owe a debt of gratitude to New Discourses for its Social Justice Encyclopedia, which allowed me to easily pick from its long litany of woke folly.. One must make choices, and my criteria were twofold: a concept had to stand out as (1) silly and (2) insidious in its ...

The Vampire Diaries began a mythology of vampires, werewolves, and witches. That mythology was continued in its two spin-offs: The Originals and Legacies. While the central supernatural character was the vampire, the vampires couldn't have existed without the help of the witches. The witches created daylight rings to allow vampires to exist in the day like ordinary people.
