Carole Boyce-Davies

Christian 1980 provides the first study of the origins of black women's writing, arguing, for instance, that black women writers of the Harlem Renaissance formed a distinct literary tradition from the work produced by black men during the same period.

Black Women Writers in the United States - African ...

What is generally understood to be black feminist criticism is a body of critical and creative work written by women of African descent in the United States. While black feminisms have arisen in other sites of the African diaspora, for example, in Europe and Latin America, the United States has been the site of the most sustained black feminist critical discourse.

Carole Boyce Davies is a distinguished Caribbean-American professor of Africana Studies and English at Cornell University, the author of the prize-winning *Left of Karl Marx: The Political Life of Claudia Jones* (2008) and the classic *Black Women, Writing and Identity: Migrations of the Subject* (1994). She is currently the Frank H. T. Rhodes Professor of Humane Letters, an endowed chair named ...

Carole Boyce Davies - Wikipedia

It was my responsibility as a Black person to find out more about my identity and who I was, and if education would not teach me, I would teach myself. The beauty of African history is that it is vast, and while not talked about as frequently as other histories, it is quite easy to get a hold of if you look for it.
