Indeed, etymologically the word method goes back to the Greek *méthodos*, meaning “pursuit, following after” (Barnhart, 2006, p. 657) and is derived from the concrete image of a road, a way. The Canadian Oxford Dictionary (Barber, 1998) defines method as “a mode of procedure; a defined or systematic way of doing a thing” (p. 912).

Hermeneutics as Research Approach: A Reappraisal - Graham ...

Even though the only thing separating travelling and traveling is a dialectical difference, it is still important to keep your audience in mind when picking which word to use and when. Travelling (with two Ls) is the preferred spelling in British English and is used much more frequently than is traveling. The graph below shows the use of ...
