Documentary History of the Ratification of the Constitution The signing of the U.S. Constitution on 17 September 1787 was a milestone in creating a government for the recently independent United States. However, the act of signing itself did not create a government. Nor did it bring the new Constitution into force.

There are many documentary films which cover the ins and the outs of the Second World War conflict years i.e. between 1939 and 1945, quite a few of these even go as far as detailing the lead up to the war but there isn't much on what happened directly after the war, until now that is. After Hitler reveals how Europe was in ruins after the war, people had hoped for lasting peace but instead

This documentary about the history of the MGB, and to a lesser extent the history of MG as a whole, covers the development of one of the most famous sports cars in the world.. The MGB was a little unusual when it was first released in 1963, unibody cars were still relatively uncommon with many manufacturers still using body-on-frame construction.
