Eleven Mark Watson

'Eleven' is the best book I've read in a while, I bloody loved it! You can feel while reading that Mark Watson is a comedian, but it's not all 'HAHA THIS IS SUPPOSED TO BE SO FUNNY'. It's subtly funny, but also sad, it's light yet you really feel for all the characters involved and everything just clicks.

Eleven by Mark Watson - Goodreads

Mark Watson's new novel "Eleven" is about how connected our lives are -- how an action by one person has consequences all down the line for lots of other people. In this story the chain reaction of events starts with a young boy getting beat up by neighborhood toughs. He goes home bruised and bloodied.
