In Jazz, the second novel of Toni Morrison's historical trilogy, Morrison enumerates many historical facts without explication. [iii] As Peterson notes, "the novel opens in 1926, the heyday of the Harlem Renaissance, but it offers for full view almost none of the artistic, cultural, or political milestones that African Americans achieved in those years" (201).

Toni Morrison - Blues and Jazz Dance Book Club

Jazz the novel by Toni Morrison, like the origins of jazz music itself, is situated primarily in the 1920s, and its focal point is Harlem, New York. Establishing a sense of place, as well as the mood that pervades it and the characters that populate it, is crucial to the "plot" of the jazz tune, whether with or without lyrics, and the same is true for Morrison's novel.
