If you opt to apply the overpayment as a credit, QB will ask you if you want to print a credit memo, which you can print to a PDF if you know this is your only chance to do so. However, the PDF credit memo does not have a Credit Memo number, reference a PO number, or even allow you to include any information in the memo that gets printed.

Solved: Is there a way to turn this credit into a credit memo?

Prime Number. A prime number (or prime integer, often simply called a "prime" for short) is a positive integer that has no positive integer divisors other than 1 and itself. More concisely, a prime number is a positive integer having exactly one positive divisor other than 1, meaning it is a number that cannot be factored. For example, the only divisors of 13 are 1 and 13, making 13 a prime ...
