RS - Tecno SpA

With the RS2 system, Tecno confirms its position as the absolute protagonist in the field of premium quality furnishings for large public spaces, offering lasting solutions that converge both design and engineering: custom-made projects with highly innovative potential, sophisticated design

and keen perception of end user requirements.

Tecno RS2 Seating System

Tecno has a long and successful history of supplying furniture for high traffic waiting areas and is perfectly familiar with the needs of environments in which users come and go in relatively short times.

RS2 - Tecno Spa

Making furnishings for public places means tying together three elements: the concrete, factual and useful design, with the location and its identity and the variable public who liaises with the project and the location. Tecno produces seating systems for stations, airport, waiting rooms, conferences and museums.
