Unlike conventional tuition centres, The Learning Board motivates students through a change in their mindset and guides them to the A-star level

with effective strategies. Every 9 of our 10 students scored A in their exams. But we believe the improvements they've made, not their grades, are those that last. Our 9 years of teaching experience and familiarity with the Singapore education system ...

The Learning Board - Primary & Secondary

Being compliant with ADA obligations is no longer sufficient to avert risk in post-secondary education. Anticipating disputes, taking action and implementing reliable policies and procedures to avert legal conflicts are a key-strategy for small-college ADA survival too. We believe that a better informed staff, faculty and administration will help prevent potential future problems.

ADA Compass
