To have a successful tattoo artist career, clients must appreciate, and desire an artist's work; this can be accomplished by constant practice and social media outreach.

How to Become a Tattoo Artist: Career Guide

Planes . A Divide the area from the cheek down to the jaw into three basic planes: light, where the light source is brightest; darker, as the form starts to turn from the light; and darkest, as the form turns farthest from the light. B The way light is revealed on the planes of the head tells us how the head is shaped. Here, the jaw is dark because it turns back, away from the light.
