In 1886, newly elected New York State governor David B. Hill set up a three-member "New York Commission" to determine a new, more humane system of execution to replace hanging. The commission included the human rights advocate and reformer Elbridge Thomas Gerry, New York lawyer and politician Matthew Hale, and Buffalo dentist and experimenter Alfred P. Southwick.

### Capital punishment in New York (state) - Wikipedia

The New York estate tax differs in one important way from the estate taxes of other states. Under the estate tax systems of other states (as well as the federal government), if an estate is large enough to be subject to the tax, it's only the amount that is over the exemption that is taxed. For example, if the exemption is \$1 million, and the ...

A community is a social group sharing an environment, normally with shared interests. Human beings, like many other species, are essentially social beings, and naturally form communities which often develop into more structured societies. Community can take many forms, from the intimacy of the family in the home, to the wide-ranging international community of multinational corporations, and to ...
