The Painter of Modern Life was an essay published in Le Figaro. Baudelaire urged artists to cast aside historical subjects and plunge into the present day, to embrace the new modernity. Overall, he believed that an artist should represent their time, and be able to create an enduring work of art from a fleeting look at modern life.

Modern Life,” Charles Baudelaire gives his definition and explanation about the true beauty of art. In the first section “Beauty, Fashion, and Happiness,” Baudelaire shows his concern about the “present” in the painting because he thought that the beauty of the art is “its essential quality of being present” (p.1).
